Release Notes

Title: SMS Express 4.1.1 Release

Date: November 2011

Applicable Manuals: SMS Express User's Manual

PREREQUISITES

Read and follow the instructions in the User Manual and READ ME file while installing or upgrading SMS Express Version 4.1.1. Failure to do so may result in software malfunction after installing Version 4.1.1.

You will need to back up your facilities before performing an upgrade to v.4.1.1. A backup is stored every time SMS Express is shut down. See the Upgrade Appendix in the user's manual or the Read Me file included with the installation for details. If an error occurs during the upgrade, and no backup is available, all the facility data may be lost.

FIXES

ENROLLMENT READERS

- This release is fully compatible with all firmware versions of the pcProx CRP–2 Enrollment Reader
